The bye-laws in question are appended are intended to prevent the smuggling of octroiable articles into the limits of the Bhadravati Minor Municipality. But there is no provision under the said rules enabling the Board to frame the bye-laws referred to above and therefore the Board has perhaps no power to frame these bye-laws. If the smuggling of octroiable goods into the Municipal area is to be checked the Municipality should provide for necessary supervision.

No. 102 dated 6-1-1940 in accordance with the resolution of the New Town Board recorded at their meeting held on 3-7-1940.

It was considered undesirable at present to levy octroi duties within the New Town Board area generally, as such levy appeared to involve some degree of petty harassment and annoyance to the inhabitants who are mostly the employees of the Mysore Iron and Steel Works and the Mysore Paper Mills. But, in order to assist the old Town Municipality to prevent the smuggling of octroiable articles which was brought to the notice of the New Town Board by the President of the Bhadravati Municipal Council, the above bye-law was decided to be substituted by the New Town Board.

It is hoped that if the above bye-law is given effect to, the smuggling of the above commodities complained of by the old Town Municipal Council will be effectively checked.

I therefore request you to kindly obtain and communicate Government approval at your convenience.
